February 2013

IMPORTANT UPDATES

Rule Change

PCAV have advised of a rule change which now allows you to bring 2 horses to a rally and gain attendance on both horses providing you have completed one session on each horse. You must advise the DC that you are bringing 2 horses PRIOR to the rally so sessions can be set accordingly

Working Bee

A date for a Working Bee in the Pond Paddock will be set at the February rally. All members are expected to attend.

Please note Dogs are not permitted at Pony Club Rallies

Grading Requests

Please note that gradings can only be done on a rally day. If you wish to be graded please complete a grading request form which can be found on the Tooradin PC website.

Attendance

All members are required to advise our DC Allison whether or not you are attending each rally

0413 001 142 or email allison.gillies@gmail.com. We are only a small club and if instructors are booked for members who do not attend the club will incur unnecessary costs.

THANKYOU

Thank you to those of you who volunteered to help out at the Bunnings Sausage Sizzle. It was a very busy day and we raised a total of \$1515. These much needed funds will go towards our instructor costs for future rallies.
